Welcome to the Mount Zion Christian Academy Fundraising Program: a simple fundraising solution that enables you to contribute to your organization without any additional costs to them or to you!

Welcome To Our School!

Mount Zion Christian Academy (MZCA) is a college preparatory, non-denominational, co-educational day school (grades K-12) and boarding school (grades 9-12). We also offer a one year College Preparatory Post-Graduate Studies Program.

The academy prepares students for continuing education in college or technical school, as well as for obtaining employment upon graduation from high school. MZCA is a comprehensive school committed to a disciplined, academic, and creative Christian environment.

Our basic philosophy is that Christian parents and guardians have the primary responsibility for training their children. Mount Zion Christian Academy unites with the parents to assist them in fulfilling this responsibility. The academy takes a team approach to education.

As the team works together, everyone benefits. Utilizing the teamwork concept, much has been achieved, but continued support is needed. Thanks to your willingness to give freely, we are positively impacting the lives of children around the world.

How does this work?

ACN provides customers with the home services they already need and use every day, as well as the cutting-edge services of the future. By ordering, you'll receive the same services you're using today – at competitive market rates – and MZCA will directly benefit financially!

How can you help Mount Zion Christian Academy?

You're buying these services anyway. If you buy them thru MZCA, the school will receive a percentage of your monthly billing. In other words, MZCA will receive a direct financial contribution from ACN for as long as you remain a customer or for the term of your agreement.
